LETTER OF RECOMMENDATION

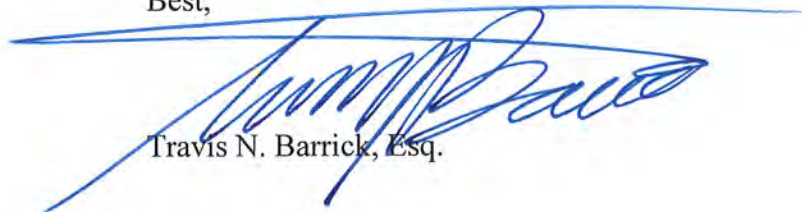

Re: Dawn Cook, RN, LNCP-C, CLCP

To Whom it may Concern:

I am pleased to recommend Dawn Cook, RN, as an expert witness regarding medical issues and Life Care Planning. Our firm retained Ms. Cook to review voluminous medical records and render an opinion with respect to our client's current and future medical needs. She provided her exhaustive report in a timely manner and gave excellent deposition testimony.

The case resolved favorably for our client, in part because of Ms. Cook's excellent work.

Best,

Travis N. Barrick, Esq.
